ABOUT US

Al-Haadi Enterprises is a manufacturing company that is specialized in producing garments for our business partners to use or sell them under their own brand names. Al-Haadi Enterprises is a company that aims to provide exclusive production services for our valued partners to bring their dreams a step closer to them.

Al-Haadi Enterprises has been operating successfully since decade with many major brands, we value each and every single client needs with respect. We facilitate our partners' needs by providing them with high-quality clothing that would showcase their unique style to the whole world.

OUR PROCESS

1

PRE PRODUCTION

We assist our partners to sort out key components like selection of fabric etc.

2

DEVELOPMENT

We welcome the opportunity to work with customer design and product development teams to develop new products for your markets.

3

PRODUCTION

To produce quality goods, and that too on time, you need a good production facility, capable of taking on any challenge thrown at you.

4

QUALITY CONTROL

Al-Haadi has documented a quality manual that states the quality management system of the organization.
