

# COMPANY PROFILE

 **AL-HAADI ENTERPRISES**

We work diligently to design and manufacture cultured original customized garments. We believe in consuming with a conscience. We are committed to offering clothes that are 100% sustainable because we care for you and our world.

# ABOUT US

Al-Haadi Enterprises is a manufacturing company that is specialized in producing garments for our business partners to use or sell them under their own brand names. Al-Haadi Enterprises is a company that aims to provide exclusive production services for our valued partners to bring thier dreams a step closer to them.

Al-Haadi Enterprises has been operating successfully since decade with many major brands, we valued each and every single client needs with respect. We facilitate our partners needs by providing them with high-quality clothing that would showcase thier unique style to the whole world.

# | OUR PROCESS

## PRE PRODUCTION

We assist our partners to sort out key components like selection of fabric etc.

## PRODUCTION

To produce quality goods, & that too on time, you need a good production facility. We are capable of taking on any challenge thrown at us.

## DEVELOPMENT

We welcome the opportunity to work with customer design & product development teams to develop new products for your markets.

## QUALITY CONTROL

Al-Haadi has documented a quality manual that states the quality management system of the organization.
